We are aware that you trust us. We see it as our responsibility to protect your privacy. On this page we will let you know what data we collect as you use our website, why we collect that data and how we use this to improve your user experience.

This privacy policy applies to all services of Roel van Hoff, **Sneakersschool, Sneakerrestore and Sneakerbespoke**. You should be aware that Roel van Hoff is not responsible for the privacy policy of other websites and sources. By using this website, you indicate that you accept the privacy policy.

Roel van Hoff respects the privacy of all its users and makes sure that all personal information that we receive will be treated confidentially.

Our use of collected data

Using our services

When you sign up for one of our services, we will ask you for personal data. This data will be used to provide the service. This data will be stored on a secure server of Roel van Hoff or a third party. We will not combine the data with other personal data that we might have.

Leaving behind data on the website

When filling in a form on one of the websites from Roel van Hoff, you leave behind personal data. Roel van Hoff only uses this data to provide you with the best service possible. The personal data will be stored safely on secure servers of Roel van Hoff or that of a third party.

Communication

When you send us an e-mail or other message, it is possible that we will store that message. Sometimes we will ask for personal information that is relevant to the situation. We need to do this, so that we can use the information to answer your question and/or answer your requests. The data will be stored on secure servers of Roel van Hoff or that of a third party. We will combine this data with other personal information that we might have.

Purposes

We do not collect or use data for other purposes than the purposes that are in the privacy policies, unless we got your permission beforehand.

Third Parties

The information will not be shared with third parties. In some cases, the information can be shared internally. Our employees are required to respect your data and treat your data confidentially.

Changes

This privacy declaration is adjusted on the use of this websites and the possibilities on the websites. Any changes of the websites can lead to changes in this privacy declaration. That is why it is advisable to read the privacy declaration regularly.

Choices for personal data

We offer all customers the opportunity to see, change and delete all personal data that have been provided to us at the moment.

Unsubscribing from the newsletter

At the bottom of every newsletter you will find the possibility to change your data or to unsubscribe.
